Artistic Expressions of Mary Ward - 2017

To celebrate Mary Ward Week in 2017, we are inviting students to send in artistic expressions of Mary Ward's values. This may take the form of:

- Music
- * Visual Art
- Poetry
- Short Story

Mary Ward Week 2018

There was a great response to the "Artistic Expressions of Mary Ward" Festival/Competition last year. Over 1000 students took part with paintings, songs, choirs, poems and short stories, and this was due to the encouragement of principals and teachers.

This year, for **Mary Ward Week 2018**, we will focus on Mary Ward's **Joy** linking with Catholic Schools' Week and the preparation for the forthcoming World Meeting of Families.

Schools are invited to create a

Storyboard

and **Sacred Space** on this theme.
