

In the month of November, we remember especially with love and gratitude those among our family and friends who have died.

Ar dheis Dé go raibh a n-anamnacha dílse.

### **Romans 14:7**

The life and death of each of us has influence on others.

We thank you, O God for the remembrance

of loved ones no longer with us;

for their inspiring words, encouragement,

love and support, an example for us to follow.

May their legacy be seen

in the people we have become,

and may we always live with integrity.

Deep peace of the running wave to you

Deep peace of the flowing air to you

Deep peace of the quiet earth to you

Deep peace of the shining stars to you

Deep peace of the gentle night to you

Moon and stars pour their healing light on you

Deep peace of Christ the light of the world to you

Deep peace of Christ to you.
