**Directors' Report**  
**For the year ended 31st August 2021**

**Audited Financial Statements**

The Directors present their report and the audited financial statements for the year ended 31st August 2021.

**Principal Activity**

The principal activity of the company is the advancement of education and to aid the development and implementation of the educational policy of the Institute of the Blessed Virgin Mary.

**Principal Risks and Uncertainties**

In the first half of 2020, the outbreak of Covid-19 spread throughout Asia, Europe and Worldwide. The initial impact of this has been severe and has resulted in a significant worldwide slowdown in economic activity. In Ireland, the economic impact of this pandemic has been characterised by the temporary closure of many businesses in "non-essential" areas to ensure that people's movements are restricted in order to slow down the spread of the virus. The effect of Covid-19 presents many risks for the company, the effects of which cannot be fully quantified at the time of approving the financial statements. As a result, the directors consider the implications of the Covid-19 pandemic to create some uncertainty at the time of approving the financial statements.

Although the effects cannot be fully determined, the directors believe that the main risks associated with Covid-19 are as follows;

- a prolonged period of government recommendations and restrictions on the movement of people to contain the virus
- a reduction in asset values

**Directors and Secretary**

**Directors' Report**  
**For the year ended 31st August 2021**

The directors are not expecting to make any significant changes in the nature of the business in the near future. At the time of approving the financial statements, the company is exposed to the effects of the Covid-19 pandemic which has had a negative effect on its operating activities since the year end and has resulted in a lower than expected level of operating activity since the year end. In planning its future activities, the directors will seek to develop the company's activities whilst managing the effects of the difficulties caused by this outbreak.

**Post Balance Sheet Events**

In the first half of 2020, the Covid-19 virus spread worldwide. In common with many other countries, the Irish government issued guidance and restrictions on the movement of people designed to slow the spread of this virus. In early March 2020, many businesses closed voluntarily and throughout the month more restrictions were placed on people and businesses. On 28th March 2020, all "non-essential" businesses were ordered to close temporarily.

The company reacted to these conditions by closing it's offices with staff working from home. Since then there have been periods where restrictions were lifted and then reimposed. Most restrictions have been lifted by 31st August 2021.

**Results**

The results for the year are set out in the Income and Expenditure account on page 8.

**Auditors**

**Proper Books of Account**

The measures taken by the directors to ensure compliance with the requirements of Section 281 to 285 of the Companies Act 2014, regarding proper books of account are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. **Directors' Responsibilities Statement**  
**For the Year Ended 31st August 2021**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy and enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information (information needed by the company's auditor in connection with preparing the auditor's report) of which the company's auditor is unaware, and
- the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that they company's auditor is aware of that information.

**Independent Auditors' Report to the Members of Loreto Education Trust  
(A Company Limited by Guarantee not having a Share Capital)  
For the Year Ended 31st August 2021**

**Opinion**

We have audited the financial statements of Loreto Education Trust for the year ended 31st August 2021 which comprise the Income and Expenditure Account, the Balance Sheet, the Cashflow Statement and the related notes to the financial statements, including a summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31st August 2021 and of its net movement in funds for the period then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 2 of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other Information**

The Directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

**Independent Auditors' Report to the Members of Loreto Education Trust  
(A Company Limited by Guarantee not having a Share Capital)  
For the Year Ended 31st August 2021**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2014**

Based solely on the work undertaken in the course of the audit, we report that:

-in our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and

-in our opinion, the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

**Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

**Respective responsibilities**

**Respective responsibilities of directors for the financial statements**

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

**Independent Auditors' Report to the Members of Loreto Education Trust  
(A Company Limited by Guarantee not having a Share Capital)  
For the Year Ended 31st August 2021**

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: <[www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8fa98202dc9c3a/Description of auditor's responsibilities for audit.pdf](http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8fa98202dc9c3a/Description_of_auditor's_responsibilities_for_audit.pdf)> The description forms part of our Auditor's Report.

**The purpose of our audit work and to whom we owe our responsibilities**

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**15. Post-Balance Sheet Events**

In the first half of 2020, the Covid-19 virus spread worldwide. In common with many other countries, the Irish government issued guidance and restrictions on the movement of people designed to slow the spread of this virus. In early March 2020, many businesses closed voluntarily and throughout the month more restrictions were placed on people and businesses. On 28th March 2020, all “non-essential” businesses were ordered to close temporarily.

Since then there have been periods where restrictions were lifted and then reimposed. Most restrictions have been lifted by 31st August 2021.

At the time of approving the financial statements, there is some uncertainty regarding how the balance sheet may be impacted based on events since the year end and as a result an estimate of its financial effect cannot be made.

**16. Approval of financial statements**

The financial statements were approved and authorised for issue by the Board of Directors on 17th December 2021.
